

The best products deserve the Best packaging
over 50 years & still no sign of aging!

PRIMEX
PLASTICS CORPORATION

A subsidiary of ICC Industries Inc.

Large enough to
handle your
requirements.

Small enough to
handle your needs.

HIPS

Prime Impax Polystyrene is designed to meet a wide variety of applications and is one of the most versatile and inexpensive materials available today. Primex offers both forming and printable grades that may also be FDA compliant. Prime Impax Polystyrene is available in white, natural and custom colors and multiple textures. Applications include Point of Purchase displays, credit cards, medical & consumer packaging, building products, furniture, and computer products.

For more information or samples on **HIPS**, please call your **Primex** Business Manager.
